REGULATIONS FOR THE POSSESSION, SALE AND CONSUMPTION OF INTOXICATING LIQUOR AND 3.2 PERCENT MALT LIQUOR

SEC. 5.01. ADOPTION OF STATE LAW BY REFERENCE. The provisions of M.S. Ch. § 340A, as they may be amended from time to time, with reference to the definition of terms, conditions of operation, restrictions on consumption, provisions relating to sales, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor and 3.2 percent malt liquor are hereby adopted by reference and are made a part of this Chapter as if set out in full. It is the intention of the City Council that all future amendments to M.S. Ch. § 340A are hereby adopted by reference or referenced as if they had been in existence at the time this Chapter is adopted.

SEC. 5.02. CITY MAY BE MORE RESTRICTIVE THAN STATE LAW. The Council is authorized by the provisions of M.S. § 340A.509, as it may be amended from time to time, to impose, and has imposed in this Chapter, additional restrictions on the sale and possession of alcoholic beverages within its limits beyond those contained in M.S. Ch. § 340A, as it may be amended from time to time.

SEC. 5.03. DEFINITIONS. In addition to the definitions contained in M.S. § 340A.101, as it may be amended from time to time, the following terms are defined for purposes of this Chapter:

LIQUOR. As used in this Chapter, without modification by the words "intoxicating" or a "3.2 percent malt" includes both intoxicating liquor and 3.2 percent malt liquor.

RESTAURANT. An eating facility, other than a hotel, under the control of a single proprietor or manager, where meals are regularly prepared on the premises, where full waitress/waiter table service is provided, where a customer orders food from printed menus and where the main food course is served and consumed while seated at a single location. To be a restaurant as defined by this section, an establishment shall have a license from the state as required by M.S. § 157.16, as it may be amended from time to time, and meet the definition of either a "small establishment," "medium establishment" or "large establishment" as defined in M.S. § 157.16, subd. 3d, as it may be amended from time to time. An establishment which serves prepackaged food that receives heat treatment and is served in the package or frozen pizza that is heated and served, shall not be considered to be a restaurant for purposes of this Chapter unless it meets the definitions of a "small establishment", "medium establishment" or "large establishment".

SEC. 5.04. NUDITY ON THE PREMISES OF LICENSED ESTABLISHMENTS PROHIBITED.

1. The City Council finds that it is in the best interests of the public health, safety, and general welfare of the people of the city that nudity is prohibited as provided in this section on the premises of any establishment licensed under this Chapter. This is to protect and assist the owners, operators, and employees of the establishment, as well as

patrons and the public in general, from harm stemming from the physical immediacy and combination of alcohol, nudity, and sex. The Council especially intends to prevent any subliminal endorsement of sexual harassment or activities likely to lead to the possibility of various criminal conduct, including prostitution, sexual assault, and disorderly conduct. The Council also finds that the prohibition of nudity on the premises of any establishment licensed under this Chapter, as set forth in this section, reflects the prevailing community standards of the city.

2. It is unlawful for any licensee to permit or allow any person or persons on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material. It is unlawful for any person to be on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material.

3. A violation of this section is a misdemeanor punishable as provided by law, and is justification for revocation or suspension of any liquor, wine, or 3.2 percent malt liquor license or any other license issued under this Chapter or the imposition of a civil penalty under the provisions of Section 5.99.

Provided that this Section shall not apply to the possession of an unsealed container in a motor vehicle when the container is kept in the trunk of such vehicle if it is equipped with a trunk or kept in some other area of the vehicle not normally occupied by the driver or passengers if the motor vehicle is not equipped with a trunk. For the purpose of this Section, a utility or glove compartment shall be deemed to be within the area occupied by the driver or passengers.

The application, at a minimum, will require information as follows: purpose for the request, dates and times requested, designated area requested, proof of insurance by the

organization, numbers of persons expected to attend, designation of a specific responsible person(s) at least one of whom will be in attendance on all dates and at all times requested. SEC. 5.16. INVESTIGATION.

(B) *Comprehensive background and financial investigation.* If the results of a preliminary investigation warrant, in the sound discretion of the Council, a comprehensive background and financial investigation, the Council may either conduct the investigation itself or contract with the Commissioner of Public Safety for the investigation. The investigation fee for this comprehensive background and financial investigation to be paid by the applicant shall be \$500, less any amount paid for the initial investigation if the investigation is to be conducted within the state, and \$10,000, less any amount paid for the initial investigation, if the investigation is required outside the state. The unused balance of the fee shall be returned to the applicant whether or not the application is denied. The fee shall be paid in advance of any investigation and the amount actually expended on the investigation shall not be refundable in the event the application is denied. The results of the comprehensive investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license.

SEC. 5.17. HEARING AND ISSUANCE. The Council shall investigate all facts set out in the application and not investigated in the preliminary or comprehensive background and financial investigations. Opportunity shall be given to any person to be heard for or against the granting of the license. No license shall become effective until the proof of financial security has been approved by the Commissioner of Public Safety.

SEC. 5.18. RESTRICTIONS ON ISSUANCE.

(A) Each license shall be issued only to the applicant for the premises described in the application.

(B) Not more than one license shall be directly or indirectly issued within the city to any one person.

(D) No license shall be issued for any place or any business ineligible for a license under state law.

(E) No license shall be issued to any person who is not a resident of the state. If the applicant is a corporation, all of the shareholders shall be residents of the state. The provisions of this division (E) shall not apply to any license existing on the effective date of this Chapter or to the renewal of an existing license.

(F) No license shall be granted within 500 feet of any school or church. The distance is to be measured from the closest side of the church to the closest side of the structure on the premises within which liquor is to be sold.

SEC. 5.19. CONDITIONS OF LICENSE. The failure of a licensee to meet any one of the conditions of the license specified below shall result in a suspension of the license until the condition is met.

(A) Within 90 days after employment, every person selling or serving liquor in an establishment which has an on-sale license shall receive training regarding the selling or serving of liquor to customers. The training shall be provided by an organization approved by the Council. Proof of training shall be provided by the licensee.

(B) Every licensee is responsible for the conduct of the place of business and the conditions of sobriety and order in it. The act of any employee on the licensed premises is deemed the act of the licensee as well, and the licensee shall be liable to all penalties provided by this Chapter and the law equally with the employee.

(C) Every licensee shall allow any peace officer, health officer, city employee, or any other person designated by the Council to conduct compliance checks and to otherwise enter, inspect, and search the premises of the licensee during business hours and after business hours during the time when customers remain on the premises without a warrant.

(C) No on-sale licensee shall permit any glass, bottle, or other container containing intoxicating liquor or 3.2 percent malt liquor to remain upon any table, bar, stool, or other place where customers are served, more than 30 minutes after the time when a sale can legally occur.

(D) No person, other than the licensee and any employee, shall remain on the on-sale licensed premises more than 30 minutes after the time when a sale can legally occur.

SEC. 5.21. MINORS ON PREMISES.

(A) No person under the age of 18 years shall be employed in any rooms constituting the place in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale, except that persons under the age of 18 may be employed as musicians or to perform the duties of a bus person, host or dishwashing services in places defined as a restaurant, hotel, motel or other multi-purpose building serving food in rooms in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale.

SEC. 5.23. SUSPENSION AND REVOCATION.

(A) The Council shall either suspend for a period not to exceed 60 days or revoke any liquor license upon finding that the licensee has failed to comply with any applicable statute, regulation, or provision of this Chapter relating to liquor. Except in cases of lapse of proof of

financial responsibility, no suspension or revocation shall take effect until the licensee has been afforded an opportunity for a hearing pursuant to the Administrative Procedures Act, M.S. §§ 14.57 to 14.70, as it may be amended from time to time. The Council may act as the hearing body under that act, or it may contract with the Office of Hearing Examiners for a hearing officer.

(B) Presumptive Civil Penalties.

1. **Purpose.** The purpose of this Section 5.23 (B) is to establish a standard by which the City Council determines the length of license suspensions and the propriety of revocations, and shall apply to all premises licensed under this Chapter. These penalties are presumed to be appropriate for every case; however, the Council may deviate in an individual case where the Council finds that there exist substantial reasons making it more appropriate to deviate, such as, but not limited to, a licensee's efforts in combination with the State or City to prevent the sale of alcohol to minors. When deviating from these standards, the Council will provide written findings that support the penalty selected.

2. **Minimum Penalties for Violations.** The minimum penalties for convictions or violations must be presumed as follows (unless specified, numbers below indicate consecutive days' suspension):

a. The following violations require revocation of the license on the first violation.

- Commission of a felony related to the licensed activity.
- Sale of alcoholic beverages while license is under suspension.
- Sale of intoxicating liquor where only license is for beer or wine.

b. The following violations fall under the regular penalty grid.

- Sale of alcoholic beverages to under-age persons.
- Sale of alcoholic beverages to obviously intoxicated person.
- After hours sale/display/consumption of alcoholic beverage.
- Illegal gambling on premises.
- Failure to take reasonable steps to stop person from leaving premises with alcoholic beverages (on-sale allowing off-sale).

REGULAR PENALTY GRID:

1st Violation	\$500 fine and mandatory training of employees and employer
2nd Violation in 4 years	\$1000 fine. 10 day license suspension and mandatory training of employees and employer
3rd Violation in 6 years	\$2000 fine. 30 day license suspension and mandatory training of employees and employer
4th Violation in 8 years	Revocation of license.

c. **Best Practices Establishments.** Establishments entering into an agreement with the Police Department as a Best Practice Establishment will use the Best Practices Penalty Grid for the following violations:

- Sale of alcoholic beverages to under-age persons.
- Sale of alcoholic beverages to obviously intoxicated person.
- After hours sale/display/consumption of alcoholic beverage.
- Illegal gambling on premises.
- Failure to take reasonable steps to stop person from leaving premises with alcoholic beverages (on-sale allowing off-sale).

BEST PRACTICES PENALTY GRID:

1st Violation	\$500 fine.
2nd Violation in 3 years	\$1000 fine and off Best Practices Program for 1 year
3rd Violation in 5 years	\$1000 fine and 15 day suspension of license and off Best practices Program for 1 year
4th Violation in 7 years	Revocation of license.

Any establishment signing on to the Best Practices Establishment Agreement will not have any violations deleted from their record for purposes of this Section and will not have the benefit of the Best Practices Penalty Grid until one year after they sign the Agreement.

d. Any violation not listed in the previous information would be heard by the Council and they would review all information and circumstances and determine a penalty with the maximum fine of \$2,000 and/or 60-day suspension or determine the license should be revoked.

e. First violations will be heard by an administrative hearing officer designated by the City Council with the presumptive penalty given to license holders. For Best Practice establishments first and second violations would be handled by an administrative hearing officer. License holders have the right to request a hearing before the City Council if not in agreement with the presumptive penalty. If the administrative hearing officer and licensee agree on the presumptive penalty, the same will be reported to the City Council in a staff report.

3. **Multiple Violations.** At a licensee's first appearance before the Council, the Council must act upon all of the violations that have been alleged in the notice sent to the licensee. The Council in that case must consider the presumptive penalty for each violation under the first violation row above. The occurrence of multiple violations is grounds for deviation from the presumed penalties in the Council's discretion.

4. **Subsequent Violations.** Violations occurring after the notice of hearing has been mailed, but prior to the hearing, must be treated as a separate violation and dealt with as a second appearance before the Council, unless the City Administrator and licensee agree in writing to add the violation to the first appearance. The same procedure applies to a second, third, or fourth appearance before the Council.

5. **Subsequent Appearances.** Upon a second, third, or fourth appearance before the council by the same licensee, the Council must impose the presumptive penalty for the violation or violations giving rise to the subsequent appearance without regard to the particular violation or violations that were the subject of the first or prior appearance. However, the Council may consider the amount of time elapsed between appearances as a basis for deviating from the presumptive penalty imposed by this Section.

6. **Other Penalties.** Nothing in this Section shall restrict or limit the authority of the council to suspend up to sixty (60) days, revoke the license, impose a civil fine not to exceed two thousand dollars (\$2,000.00), to impose conditions, or take any other action in accordance with law; provided, that the license holder has been afforded an opportunity for a hearing in the manner provided in this Chapter.

7. The Council shall select the day or days during which the license will be suspended.

(C) Lapse of required proof of financial responsibility shall effect an immediate suspension of any license issued pursuant to this Chapter or state law without further action of the Council. Notice of cancellation or lapse of a current liquor liability policy shall also constitute notice to the licensee of the impending suspension of the

license. The holder of a license who has received notice of lapse of required insurance or of suspension or revocation of a license may request a hearing thereon and, if a request is made in writing to the Clerk, a hearing before the Council shall be granted within ten days. Any suspension under this division (B) shall continue until the Council determines that the financial responsibility requirements of state law and this Chapter have again been met.

(D) The provisions of Section 5.99 pertaining to administrative penalty may be imposed in addition to or in lieu of any suspension or revocation under this Chapter.

SEC. 5.24. CATERER'S PERMIT. Any restaurant that holds an on-sale Liquor license issued by the City may also be issued a caterer's permit by the Commissioner. The holder of a caterer's permit may sell liquor as an incidental part of a food service that serves prepared meals at a place other than the premises for which the holder's on-sale liquor license is issued.

Subd. 1. The restrictions and regulations which apply to the sale of liquor and licensed premises also apply to the sale under the authority of a caterer's permit, and any act that is prohibited on the licensed premises is also prohibited when the licensee is operating other than on the licensed premises under a caterer's permit.

Subd. 2. Any act which if done on the licensed premises would be grounds for cancellation or suspension of the on-sale license, is grounds for cancellation of both the on-sale and caterer's permit if done when the permittee is operating away from the licensed premises under the authority of the caterer's permit.

Subd. 3. The permittee shall notify the Chief of Police, prior to any catered event, where the event will take place.

Subd. 4. If the primary license ceases to be valid for any reason, the caterer's permit ceases to be valid.

Subd. 5. Caterer's permits are subject to all laws and provisions governing the sale of liquor except those laws and provisions which by their nature are not applicable.

SEC. 5.99. PENALTIES.

(A) Any person violating the provisions of this Chapter or M.S. Ch. 340A as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time is guilty of a misdemeanor and upon conviction shall be punished as provided by law.

(B) The Council shall impose a civil penalty of up to \$2,000 for each violation of M.S. Ch. 340A, as it may be amended from time to time, and of this Chapter. Conviction of a violation in a court of law is not required in order for the Council to impose the civil penalty. A hearing under the Administrative Procedures Act, M.S. §§ 14.57 to 14.70, as it may be amended from time to time, is not required before the penalty is imposed, but the Council shall hold a hearing on the proposed violation and the proposed penalty and hear any person who wishes to speak. Non-payment of the penalty is grounds for suspension or revocation of the license. The following is the minimum schedule of presumptive civil penalties which must be imposed in addition to any suspension unless the license is revoked:

(1) For the first violation within any three-year period, \$500.

(2) For the second violation within any three-year period, \$1,000.

(3) For the third and subsequent violations within any three-year period, \$2,000.

(C) The term "violation" as used in Section 5.23 includes any and all violations of the provisions in this section, or of M.S. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time. The number of violations shall be determined on the basis of the history of violations for the preceding three-year period. Revocation shall occur within 60 days following a violation for which revocation is imposed.
