

REQUEST FOR PROPOSALS

Notice is hereby given that sealed proposals will be received by the City Councils Clerks Office of Hibbing MN at the City Hall until 11:00am September 18th, 2015 at which time the proposals will be publicly opened in the engineer's office and read aloud for the Design Concept Proposals for the Hibbing Memorial Buildings future improvements and expansions.

This proposal is a request to provide Architectural and Engineering services for short and long term design concepts for the Hibbing Memorial Building. Short term improvements will consist of design of new locker rooms, renovation of old locker rooms and a new south entryway. Determining facility improvements and expansions regarding community wellness, recreational needs for seniors, youth, high school and various athletic groups would be included in the long term proposal. These services will also determine and provide analysis, design recommendations, plans and specifications, cost estimates, construction and inspection services for all future improvements and expansions.

Consultants desiring a copy of the proposal forms and specifications may obtain them by going on the City of Hibbing web site or by contacting the City Services Memorial Building office at 218 362-5951.

The City Council reserves the right to award the contract in the best interest of the City of Hibbing.
